

ELECTROSURGERY ACCESSORIES

WELCOME TO THE NEW & BIGGER MEDITECH CATALOGUE

EVERY PRODUCT IS A NEW INNOVATION

MEDITECH SYSTEMS
 QUALITY ACCESSORIES
 FOR ELECTROSURGERY

MEDITECH is a well established British based manufacturer which has now emerged as the alternative in electrosurgery accessories.

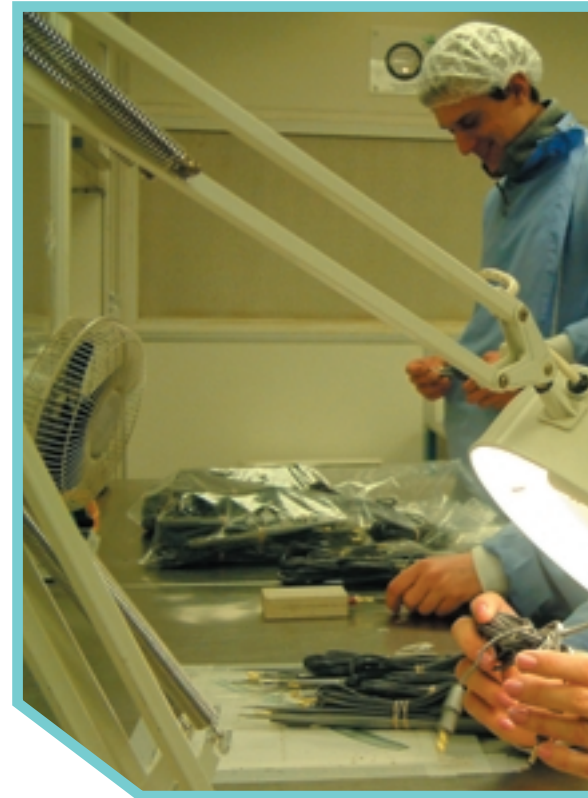

Our commitment to product innovation borne out of our close customer contact, has proven to be the catalyst for our growth.

Our comprehensive range covers all major makes of electrosurgery generators world-wide & is designed to meet the high quality & safety standards of each market.

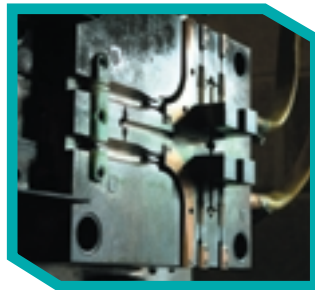

Our ability to provide the right product by design for specific clinical needs is nurtured by close liaison with our clinical partners. This approach provides benefits to both patient & clinician.

Our aim at Meditech is to grow through partnership with our customers providing the quality & service required in today's healthcare industry.

Our commitment is backed by increased capacity in our new facility offering the following:-see below

PLEASE NOTE:
for US two pin fitting replace UK with US (eg 762080US)
for serrated tips add the letter 'S' (eg 7620080UKS) K= toothed tip

COLOUR CODED SYSTEM

Due to our unique method of moulding the forceps block, we are able to offer colour coding possibilities to customer requirements.

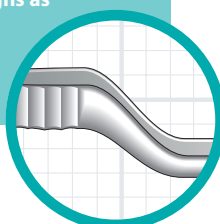

Example:

- TRACEABILITY: departmental etc
- TIP SIZE INDICATOR:

BAYONET FORCEPS

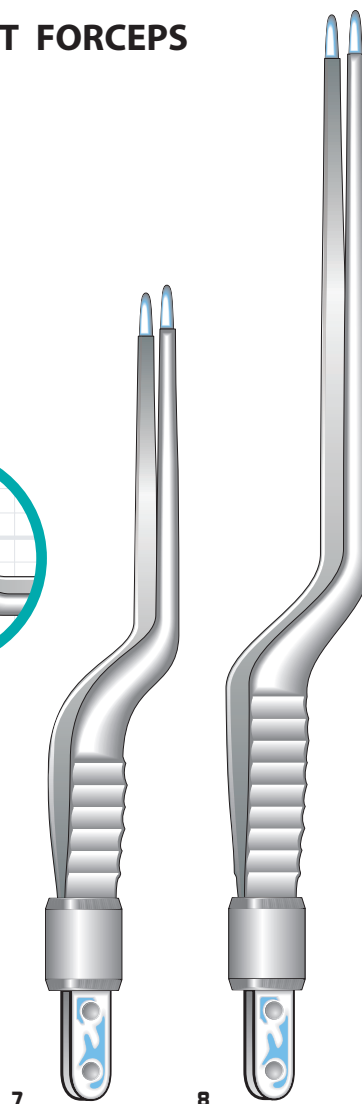

ANGLED FEATURES

With the use of bipolar forceps in many new surgical disciplines. Forceps design is critical so that the instrument shape meets the procedure requirements. We are able to offer custom designs as well as those shown.
